# Swivel Caliper

## Series 536

These vernier calipers have a swivelling jaw. They offer you the following benefits:

- You can rotate the moving jaw to measure sectioned shafts.
- With depth bar.

536-212

## Metric

No.	Range [mm]	Rotation of	Mass [g]
536-212	0-200	Jaw: ±90°	190
